

## Warranty Informations

---

Kebaili Corp. warrants its products to be free of defects in materials or workmanship and will repair or replace without charge any hydrogen gas detector that is found to be defective for three years for the electronics and one year for the hydrogen gas sensor after the date of purchase. Hydrogen gas sensors that are damaged by exposure to poisoning contaminants such as silicones, chlorine, halogenated compounds, hydrogen sulfide (H<sub>2</sub>S), or any polymerizing gas are not covered by this warranty. Further, hydrogen gas sensors that have failed due to incorrect hookup are not covered by this warranty.

Kebaili Corp. reserves the right to make the final determination of the nature of and responsibility for defective or damaged equipment. Equipment that has been repaired or modified by the user, damaged as the result of an accident, incorrectly installed, or used in an application or environment for which it was not intended is not covered by this warranty. Kebaili Corp. responsibility under this warranty shall be limited to the repair or replacement of the defective equipment at its option when it is returned to the factory transportation prepaid. The defective unit will be repaired or replaced free of charge to the customer and returned transportation prepaid. In all cases, this warranty is limited to the cost of the equipment.
